

CORRECTIONS FOR BETA MATHEMATICS WORKBOOK (2013 PRINTING) (2nd printing) (as at 5 September 2018).

ISBN 978-1-4425-2584-9

These include all mathematical corrections but do not include presentational errors. Pearson's policy is to correct all known errors whenever a textbook is reprinted, so that all errors reported from previous printings have been corrected.

The corrections given are for the most recent printing. To receive a list of corrections for an earlier printing of this text (as an attached Word file) please email feedback@mathematics.co.nz with details of the year the text was printed. This information is inside the front or back cover.

- 49 Ex 12.01 #4 change the first sentence to 'Each of these water tanks is half-full, and has a tap at the bottom.'
- 53 In Ex 13.01 #4 add the label 'O' alongside the origin (as well as the 0 already there)
- 131 Ex 30.02 #2 change 'principal' to 'principle'
- 135 Ex 31.05 #3 Add '65' to the 'Conceded' side of the diagram. It should look like

Scored		Conceded
	7	3
	6	2 2 5
9 8 2 2 1	5	1 5 7 7
8 7 7 3 1 0	4	8 9
5	3	6
	2	9

- 154 Ex 8.04 (Part 1) #2c change $c = 3n - 1$ to $c = 3n - 2$
- 179 Investigation - Word-processing fonts #1-4 change 'spreadsheet' to 'document'
