

CORRECTIONS FOR GAMMA FUNDAMENTALS TEXTBOOK 2011 (2<sup>nd</sup> printing) (as at 20 October 2013)

ISBN: 978-1-4425-3260-1

These include all mathematical corrections but do not include presentational errors. Pearson's policy is to correct all known errors whenever a textbook is reprinted, so that all errors reported from previous printings have been corrected.

The corrections given are for the most recent printing. To receive a list of corrections for an earlier printing of this text (as an attached Word file) please email [feedback@mathematics.co.nz](mailto:feedback@mathematics.co.nz). with details of the year the text was printed. This information is inside the front or back cover.

p357 Ex 21.04 #7 Replace the third sentence with 'A button is drawn from the bag, its colour noted, and it is put back in the bag. Then a button is drawn a second time and its colour noted.'
