

CORRECTIONS FOR SIGMA STATISTICS (first published 2012) 2013 PRINTING (as at 27 September 2013)

ISBN: 978-1-4425-5698-0

These include all mathematical corrections but do not include presentational errors. Pearson's policy is to correct all known errors whenever a textbook is reprinted, so that all errors reported from previous printings have been corrected.

The corrections given are for the most recent printing. To receive a list of corrections for an earlier printing of this text (as an attached Word file) please email [feedback@mathematics.co.nz](mailto:feedback@mathematics.co.nz) with details of the year the text was printed. This information is inside the front or back cover.
